Yachtsman's Canvas Wins 2021 International Achievement Award

(Nashville, Tennessee – Nov. 3, 2021) – **Yachtsman's Canvas, North Wales, PA**, was recognized with the 2021 International Achievement Award (IAA) for design excellence in specialty fabrics applications.

Yachtsman's Canvas received an Outstanding Achievement Award for its **No Tie Downs Required (Winter Storage Cover)** project. The project was recognized in the competition's **Travel/Full Covers** category.

For 75 years, IAA has recognized excellence in design and innovation, highlighting truly spectacular work in the specialty fabrics and technical textiles industry. The International Achievement Awards competition is sponsored by IFAI, a not-for-profit trade association who's over 1,600 member companies represent the growing international specialty fabrics and technical textiles marketplace.

IFAI received a total of 223 entries from 14 countries that were submitted for 44 categories in this year's competition. Winners were selected based on complexity, design, workmanship, uniqueness and function. Judges included industry experts, editors, architects, educators and design professionals who were chosen for their knowledge in a particular field of study or product area.

All entries receive prominent recognition at the IFAI Expo, the largest specialty fabrics tradeshow in the Americas. Winners receive additional publicity through coverage in IFAI magazines and press releases distributed to media professionals.
